

# Inferring

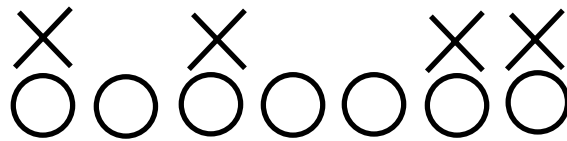

## Deriving Meaning from Clues, Hints, Evidence

### Strategy:

1. Examine

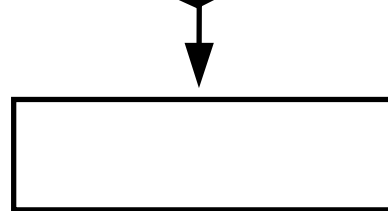

2. Select clues

3. Interpret clues

4. Draw a conclusion

### Graphic Organizer:

A graphic organizer template consisting of a large outer rectangle. Inside, there is a horizontal row of seven circles. Below this row is a large, empty rectangular box, intended for students to record their conclusions or thoughts based on the clues they have examined and interpreted.
