

Long Beach, Washington May 2008

WOULD YOU LIKE TO BE IN PARADES?

The North Queens Drill Team formed in 1959 is looking for some new members! The team enables girls 9-19 the opportunity to march in parades and competitions, to learn sportsmanship, leadership, discipline, and responsibility. We do many other fun things such as campouts, parties and fun trips just to name a few. We travel in our own team bus all over Washington, Oregon and to San Francisco.

The North Queens are a precision marching and flag team. We participate in all Seafair parades including Torchlight. Membership is open to all girls 9-19. Our monthly dues are \$10.00. We practice at Mtlk. Terrace High School. It's fun and inexpensive! No money needed at time of sign up. So come and make some new friends! Better yet, bring a friend with you! A parent must be present at the orientation. It's fun and easy so come and see what it's all about!
