

## Here's to you!!

Volunteers are an essential part of our school community. You may not always hear it or feel it but we count our blessings each and every day for the contributions you make to this school. We are so fortunate to have dedicated and creative individuals working in great numbers throughout the year. Walk through our halls anytime, any day of the week and you'll witness someone sharing their time, enthusiasm, talent and energy with one of our students. Our volunteers share common goals for the benefit of our children and work very hard to achieve them through academic, social and fundraising efforts. Such dedication to public education is inspiring to witness and be a part of. For all the staff, thank you for your involvement and support through volunteering.

Every year the official National Volunteer celebration falls during WASL testing so...

This week is the unofficial celebration!

Edmonds School District is pleased to  
invite you to our

### **Volunteer Appreciation Reception**

Thursday, May 29<sup>th</sup>, 2008
