6TH Grade Outdoor Camp Parent Information Night

Monday, December 7th, 6:30 PM

Chase Lake Library

Please plan to attend this very informative evening and have all of your questions answered about Outdoor Camp. A representative from IslandWood will be available to talk about things such as: What your child will learn at camp, what to bring and what not to bring, and behavior expectations.

We will also have parents complete permission slips/release forms and any necessary health forms. Our school nurse will also be attending to help with any health concern questions.
