# Volunteer Program

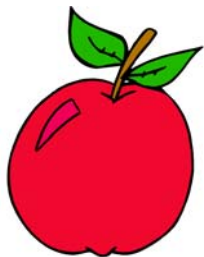

Volunteers make a huge difference in a school environment. With volunteer support, children have extra individualized attention helping them to become successful learners. Please consider becoming a volunteer today at Westgate Elementary.

To help keep current volunteers and potential volunteers informed, we will list a needs list online. This list will be updated throughout the year. When a need arises in a classroom, it will be posted on our volunteer page.

## One-On-One Connection

Becoming a Lunch Buddy takes only one hour of commitment per week. Each adult buddy is matched up with one student with whom they will visit throughout the year. This connection can have a huge effect on a student, providing them another area of support and friendship.

Our Lunch Buddy Program is flexible. Pick the day that works best for you. Primary and Intermediate grades have lunch and recess from 11:40 am to 12:55 pm

Please contact Sari White to learn more about this great program at 425-431-1529.
